

## CALLING FOR VOLUNTEERS

Join us at The Speedy Foundation’s annual outreach booth in the Sponsor Village at Deer Valley on Feb. 6-9th.

Help us start conversations on mental health, promote resources, and share information on education. Anyone can help save a life, help us spread awareness.

Dress warm for the weather. A member of TSF’s crew will be on site for your shift and will help explain all available resources at our booth.
